

# ENTREPRENUERSHIP SUMMIT

E-Summit is the flagship event of the Entrepreneurship Club, successfully being held every year from the year of its inception. Lasting a whole week, each year it has seen a huge and active participation from our IIT Patna community as well as Patna city. It provides an opportunity to showcase the abilities of the entrepreneur in you and win some awesome prizes along the way. The E-Summit also provides you with opportunity to interact with the real risk takers and gather a deeper understanding of the entrepreneurial world.

E-Summit is held every year at the IIT Patna campus with a vision to ignite, strengthen and promote entrepreneurial spirit by spreading awareness and to develop necessary skill sets on finance and business useful for the engineering community. The week-long event included guest lectures, workshops and panel discussions featuring eminent personalities from industry as well as academia.
