ABOUT THE

We endeavour to promote the split of entrepreneurable among the entire EF Fatna community as well as the youth of lithor and north india through well as the youth of lithor and north india through weightings, inferractive braintorming sessions, auest talks, and our fourther event of the way. Entrepreneurs furnmit. The Entrepreneurably Cell was established at III Patria in 2010. Founded by Mr. Ajol Chowdring, Co-Founder, HCL and Chairman-Board of Governors, III Patria, II-Club stated with a small group of driven students who come together to share ideas and collaborate with small businesses in and around Patria.

We invite you to be a part of this extravaganza and help us make it bigger and better by sporsoring it we hope that our synergy will usher into a novel and long standing relationship for both of us.
